## GET LOW LP

Fresh on the scene as USC's point guard the multi-talented actor/rapper/athlete Romeo returns to hip-hop with a stunning collection of big collaborations, fan-favorite music videos, and some brand-new, previously unreleased, blazing hot material.

Get Low LP features new production on Romeo's best songs from his high school years, including "Special Girl", the infamous Bow Wow diss track "U Can't Shine Like Me", as well as future hits "Get Low Wit It" and "She Likes Me."

The album boasts collaborations with quadruple platinum-selling singer Akon, breakout wunderkind Colby O'Donis, Billboard chart-topping heartthrobs Marques Houston and Bobby Valentino, hip hop pioneer/mogul Master P, and production by hit-maker Detail Fisher (Bone Thugs and Harmony, Ray J, Young Berg).

A full-blown digital marketing campaign involving retail, portal, and social media features, along with D2C mobile content and nationwide video & radio promotion.
